

STONE SOUP

PDX

Stone Soup PDX provide culinary career training to individuals with barriers to employment, helping them move toward stability. We also provide catering services and prepare meals for local shelters, day centers, and community centers.

Program

A 12 week hands-on culinary training program. Program participants are treated as experts and are pivotal to our growth.

Catering

Support our program by ordering tasty food for your next business or organization luncheon!

Contract Meals

We provide over 1,100 fresh, nutritious, restaurant-grade meals each week to our partner community sites.
