

STONE SOUP

PDX *Enough to Spare & Share*

Stone Soup PDX provide culinary career training to individuals with barriers to employment, helping them move toward stability. We also provide catering services and prepare meals for local shelters, day centers, and community centers.

What SSPDX does

Our Program

A 12 week hands-on culinary training program. Program participants are treated as experts and are pivotal to our growth.

Our Catering

Support our program by ordering tasty food for your next business or organization luncheon!

Our Contract Meals

We make quality, nutritious food for local schools, day centers, and shelters.
